Application For Dams Are Completed; Ready File

County Planning Board Completes Work On Formal Applications for Fifty Dams

OTHERS WANTED

Land Owners Should File Applications If They Wish Dams

More than fifty applications for dams under the water conservation act were approved Tuesday by the County Planning Board, and will be placed on record in the WPA office this week.

W. A. Warren and S. H. Condrion took the applications to Amarillo Friday and they were checked by A. A. Meredith, district director of WPA. He asked that they be brought by the planning board for approval, and that county maps be attached to each application. With the approval made Tuesday, the maps are being made and the applications will be returned to Amarillo this week.

All land owners who have not filed applications for dams are urged to do so this week. Mr. Meredith completed the form in which the applications were drawn.

WORTH A. JENNINGS IS GREATLY IMPROVED

Worth A. Jennings is reported to be greatly improved this week. He suffered a stroke of paralysis last Tuesday morning and has regained the use of his left side to a great extent. Members of the family state that he will be confined to his home for some time yet.

Would Block Water Conservation

Because of their dislike of the entire New Deal program, it is rumored that certain Amarillo citizens threaten to block the entire water conservation program. This group would deprive the citizens of the Panhandle of about \$40,000,000, to be spent in building lakes and dams.

It is stated that land owners have been urged by men of this group not to sell their land to the government, or to make agreement for building the lakes. They have gone so far as to intimate that if the land owner sells part of his land, the government will take the balance at \$1.50 per acre.

The contention of this group who hate President Roosevelt and seek to discredit Congressman Marvin Jones for his work in redeeming the fertile lands of the Panhandle, has been ignored by most land owners as being too silly for consideration.

If any land owner in Randall county is confronted with any of the crazy ideas of this anti-New Deal gang, please ignore their prattle. The people of Randall county know Marvin Jones. They know he is honest, and that he will not deceive the people. The entire water conservation program is Marvin Jones' pet; the people out here are his friends; he is one of the most powerful men in Congress. Marvin Jones is going to see this program through, and see that it is worked out for the benefit of the people of this section.

Ignore this gang, if they confront you. They certainly do not represent the true American spirit of President Roosevelt and Marvin Jones.

All Women of County To Be Given Unique Entertainment Feature

Stream lines are a familiar sight this season.

But the latest news in Cooking School conventions, as discovered by The Canyon News has screen lines.

All of which means that long lines of eager pupils will be going to school again October 13-14-15, when this newspaper presents the much discussed motion picture course in home economics in the Olympic Theatre.

Going to school in a theater! It's a grand way to combine fun, inspiration, a neighborly reunion and valuable instruction, all in one free package. It's a grand way to get out of the rut that often threatens the best and most conscientious of home managers.

Just as fresh inspiration for the old job is one of the by-products of the familiar Cooking School, which presents a lecturer in a model kitchen, so are new ideas and keen incentive born in the film class for homemakers, with its novel approach and modern setting.

The kitchens that passed the screen test for this picture had to meet the exacting requirements of nationally known home economists, as well as Hollywood standards of charm, good taste and proportion.

No "false-front," camera-beautiful kitchens satisfied these specialists. They insisted on working in complete, compact, modern kitchens, which actually reflect more scientific ingenuity and careful planning than any living room.

In these practical kitchens, stream lines is no idle phrase, for this simplified, sanitary, labor-saving equipment is keyed in style and purpose to a busy age.

Recognizing the demands of home experts, Hollywood signed all-star kitchens, with all-star cast, adding a continual procession of close-ups, so that every seat in the Olympic is a good seat for this amazingly pictured household course.

The class isn't all work, for there is a constant play of sparkling humor, the appeal of tender romance, and the suspense of a coherent, intelligently directed story, which dramatizes everyday happenings—the human sort of things that really

Dairymen To Hear Feeding Expert at Meeting Oct. 5th

E. R. Eudaly of the Texas A. & M. College Extension Service will speak to the Randall County Dairymen's Association at the regular meeting October 5, at 8 p. m. in the district court room in Canyon.

Mr. Eudaly has made an extensive study of the whole question of silos and the feeding of silage. He will conduct a round table discussion answering any questions regarding silos or the feeding of silage.

This will be an open meeting and all farmers who are interested are invited to attend.

The regular business meeting of the Dairymen's Association will be held immediately afterward.

\$60.00 Per Section Set As Payment of '37 Range Program

The allowance for payments under the Range Program for Randall county was received in the County agent's office Monday. The amount will average about \$60.00 per section of grass land covered by work sheets in 1937.

This amount is subject to a reduction for local county expenses only.

The county committee is in session this week making allotments to each ranch in the program on the basis of appraisals made by the county range inspector earlier in the season.

The total allowance for each ranch will be mailed out as soon as the committee has finished with the individual allotments and has checked calculations for each month. Clyde McElroy is range inspector for Randall county.

Neblett Hospital Is Viewed Sunday

Hundreds Of People Pay Visit to New Institution Opening Day

Several hundred citizens visited the Neblett Hospital Sunday afternoon for the formal opening. There was a constant stream of visitors from 2:00 o'clock until 6:00 o'clock. No register book was kept of the crowd of visitors owing to the fact that all connected with the hospital were kept busy throughout the afternoon conducting groups of visitors through the new building.

Visitors were highly impressed with the completeness of the hospital and the up-to-date equipment which has been placed in the building.

Many local citizens and organizations sent flowers in appreciation of the splendid new institution which has been added to the facilities of the community.

Considerable finishing work is yet to be done around the building and on the grounds. A brick wall will be added along the north property line, together with garages for the physicians' cars.

Anthrax Killing Number of Cattle Over the County

Anthrax has killed a number of cattle over the county during the past week. Farmers are vaccinating as rapidly as possible in order to head off the disease.

Eral Burtz has lost his registered herd bull, three cows and a calf.

Tom Slack has lost 8 head of cows.

Other losses of one or more head are being reported.

Sleeping sickness which prevails over the entire Southwest has killed a number of horses during the past week.

John B. Pope left Tuesday for his new work in the State Department of Education in Austin. Mrs. Pope and the children left the first of the month in time for the opening of school.

Bufs Will Face Team Coached By Former W. T. Star Football Player

RAMS ARE STRONG

Same Team From Fort Worth That Played the Bufs Hard Game '36

Red Walling, end, has been named Co-Captain for the Friday night game of the Bufs against the Rams. Walling has been an outstanding athlete since coming to W. T. from the Farwell high school.

Dope would favor the undefeated Buffaloes when they take the field against Coach Gus Miller's 1937 turnout from Texas Wesleyan College of Fort Worth, but Coach Baggett refuses to be swayed by this flexible instrument and has renewed the seriousness of last week's preparatory workouts for this game Friday night.

Gus Miller, a former student of West Texas State, is fortunate in finding an experienced team around which to introduce his deceptive wing-back formations so successfully employed at Trinidad, Colo.

The situation for the new Fort Worth mentor look especially bright in the backfield. In Splawn, McCarty and Reese, he has a trio that baffled opposing team all last year with their finesse on end runs and powerful line ramming. McCarty threw the touchdown pass that defeated the Buffaloes 6-0 in the 1935 season.

SISTER OF OSCAR HUNT FRACTURES HIP IN FALL

Mrs. R. K. Robinson of Chickasha, Okla., sister of Oscar Hunt and sister in law of Mrs. J. T. Service, fell on the steps of the Service home Tuesday evening and fractured her hip. It was thought at first that the fall was of no consequence, but when Mrs. Service started to help her into the house Mrs. Robinson could not move. She was taken to Neblett Hospital as soon as help could be summoned.

Mrs. Robinson and her daughter, Mrs. John Maunders, were stopping here for a few days visit, and Mr. Hunt and Mrs. Maunders were out of town at the time of the accident.

Marvin Jones Was Speaker Tuesday

Congressman Made Three Speeches in Canyon to Various Groups

Congressman Marvin Jones was honored at the weekly luncheon of the Canyon Rotary Club Tuesday when 37 local business men and farmers joined the 36 members of the club in extending greetings to the visitor.

Mr. Jones spoke briefly regarding the making and enforcement of laws in this nation.

The pen which President Roosevelt used in signing the conservation bill for the five plains states was presented to the Panhandle-Plains Historical Society by John McCarty of Amarillo. It was accepted by Dr. L. F. Sheffy. The pen, together with a photograph of Mr. Jones, will be placed in the Museum. Mr. Sheffy traced the development of the Great Plains region through the various stages, and praised the work of Mr. Jones as he passed the conservation measures to provide for a permanent agricultural program.

J. D. Barker, chairman of the program committee, introduced Congressman Jones.

Mr. Jones acknowledged the high praise which had been given him by the various speakers.

"Men do not make laws, but law springs from the needs of the people," stated Mr. Jones. "There can be no great government without a great people. Those who object the loudest to the present program of government confuse principle with policy. There are few basic principles of government, but many policies have been adopted to meet varying conditions," stated the speaker.

In writing the Declaration of Independence, Thomas Jefferson advocated the greatest principle of government. Hamilton wrote a policy of government in a report which advocated a tariff. He recommended that the tariff be placed on agriculture as well as manufactured articles. As a matter of policy the congress accepted the tariff, but ignored its application to agriculture. This started a fight which

MARVIN JONES

Congressman Marvin Jones was a visitor in Canyon Tuesday, making three speeches during the visit. He addressed the students of W. T. in the morning; talked to 73 business men and farmers at the Rotary luncheon; and talked to the leaders of the farm program at the court house.

Mr. Jones did not have time to inspect the new postoffice. "I am coming back soon and will spend more time visiting with friends and will then inspect the building," stated the Congressman.

Pastor Is Called By Presbyterians

Rev. A. M. Dorsett Of Dallas Is Called Sunday By Congregation

Rev. Alfred M. Dorsett was called by the local Presbyterian Church at a congregational meeting held Sunday. It is expected that he will accept the pastorate and move here at an early date.

Rev. Dorsett preached two sermons here three weeks ago, and members of the congregation were highly impressed with the minister. He is now assistant pastor of the City Temple Church in Dallas. Before going to Dallas he served the Presbyterian Church in Snyder.

People Urged To Respect Beauty Spots of City

Canyon has something to be proud of in the progress that has been made during the past year on its small city parks. All summer they have been beauty spots on an otherwise barren area, with their profusion of colorful flowers, which are at their prettiest at this season.

But it is a sad thing when people do not respect the beauty of nature and the hard work on the part of those responsible for the parks. The point is this: That people are ruining the flower beds in the parks by going in and pulling the flowers or otherwise harming the flower beds. The flowers are for the benefit of the public, but they are not to be cut, pulled or otherwise ruined by individuals just because they want some flowers, or because they have nothing else to do.

Respect the beauty of the public parks and the labor of those who have made them possible.

Truck Smashes Car Saturday Nite on Hiway

Driver of Truck Makes Escape; Three Other Persons Are Badly Injured in Smash

TRUCK WRONG SIDE

Five Citizens of Plainview in Car, All But One Being Killed

Four people were killed and three badly injured in a wreck between a truck and an automobile just north of Happy Saturday night at 11:00 o'clock. The wreck was the most tragic accident that has ever occurred in Randall county.

The four dead, who were riding in the car, are:

Mrs. Bill Adams of Olton.

Mr. and Mrs. L. B. Coffey of Plainview.

D. S. Gipson of Plainview.

The fifth passenger in the car, Jasper Gipson, is in the Neblett Hospital with severe head injuries and a fractured arm. He is a brother to D. S. Gipson, and the only person in the car to escape alive.

Three men are reported to have been in the truck, Bob King, Jack King, and their brother-in-law, Floyd Humphreys, all of Amarillo. Jack King was found in the wreckage when officers arrived on the scene. He first claimed that he was a hitchhiker and was asleep in the back of the truck. Later he acknowledged that the driver was his brother and the other man was his brother-in-law. King's leg was broken.

Humphreys showed up in Amarillo Monday, stating that he and the driver left the scene after they had assisted in loading the injured into a truck to bring them to Canyon. He states that they started for help, but wandered off thru the field, both badly injured and half conscious. He claims they reached Tulsa during the night, but does not know whether they rode or walked. Humphreys states that Bob King left him in Amarillo to report to the owner of the truck, but King has not been located by the officers, and has failed to connect with the truck owner.

Charges were filed against the two Tuesday by Sheriff Bob Barnett for failure to give aid following the accident.

H. R. Bain, owner of the truck in which the three men were riding, has filed charges of theft against the men. Bain states that King was employed by him as a driver of the truck, but that King was not given permission to use the truck Saturday night. The men claimed they were on their way to Plainview where Bob King claimed he wished to look after a cow which he owned. The trio stopped in Canyon for a short time for a lunch.

Larry Holman, deputy sheriff, arrived at the scene of the accident a

Death Stalks the Highways

The terrible accident of Saturday night should be a warning to those who drive cars and trucks. No more powerful instrument of death has been placed in the hands of men as is the car. The abuse of this powerful leads to such tragic an end as the one Saturday night.

Drive carefully!

The streets of Canyon have been made a race track by certain car owners. Fortunately they have not killed any one up to the present time.

Mayor C. R. Burrow issued orders Monday that racing and careless driving must stop. City officers were warned that arrests must be made of those who violate traffic regulations.

Citizens of Canyon have a very important part in this program of the suppression of wild driving. If YOU wish to see this carelessness stop, report all cases of traffic violations to the officers.

AN UNHOLY ALLIANCE

It looks like the greedy industrialists and cruel militarists, working through Hitler in Germany, and the same forces working through Mussolini in Italy, have joined up with the same terrible group in Japan. Will they be able to make greed, injustice, brutality, murder, conquest, slavery rampant in a big portion of the world?

How terrible! Yet, how historic! How true to cause and effect! They have turned away from God, and the whole world suffers. It always has been and is ever thus with nations and with people.

Has it come to the point where China, Great Britain, France and the Western Hemisphere must depend on Russia as the buffer nation to save the balance of the world from being ravaged by this awful unholy alliance?

The world may sow the wind, but it will reap the whirlwind.

There is only one possible thing for the world to do if it is to get out of this hell.

President Roosevelt has not minced words in telling Americans to get out of the war zone and to stay out. They are there upon their own peril.

The American Chamber of Commerce at Shanghai cables objections to what they describe as Roosevelt's deserting American business over there. Other protests like this have been made. The munitions makers and others who would profit by war are using every effort to get this nation entangled in this mess. As between losing business or going to war, every American who can remember back as far as 1914-18, will tell business to go hang, rather than see this nation plunged into another cruel and costly war. Every American mother will highly approve of this nation staying out of the melee.

Perhaps the unholy three have the idea in the back of their heads that this nation will not join in another war is their reason for becoming so bold at this time.

President Roosevelt is going thru the same pressure that was brought upon President Wilson. Every sensible American citizen hopes that he will be able to stem the tide.

President Roosevelt is on his swing across the nation with the view of ascertaining how the people feel, and what they are thinking of his

administration, and what they are expecting of him during the balance of his administration. Two things have been made perfectly clear by the President: That he does not intend to coast along thru the rest of his administration, and that he has no fear for the sound financial condition of the nation. The nation is not going broke, is the way the President views the situation. While the national debt is of great concern to many people in this nation, it is nothing as compared with the debts of other nations. The great concern of the President is still that all citizens shall have an opportunity to make a comfortable living.

William Allen White of Kansas nominates Mayor La Guardia for president on the Republican ticket in 1940. Mr. White nominated Alf Landon last year, and see what happened. But this last nomination indicates the trend of Republican thought. La Guardia is very much of a New Dealer, and likes President Roosevelt. He has a colorful personality, knows the business of vote getting, and seems to have a remarkable record in New York for efficiency and honesty. Although a nominal Republican, he is not party hide-bound. With Hoover and Landon fighting as to who shall be the head of the Republican party most anything is liable to happen.

Again we hear that Jim Farley is to resign from the cabinet. Since this report is made with great regularity, no one becomes unduly excited with the announcement. There is one thing sure and certain. President Roosevelt is not going to let Jim Farley relinquish his position with the Democratic party so long as it is possible to hold him. Farley is recognized as the greatest organizer the Democratic party has ever had. He has the happy faculty of keeping the political ship running smoothly most of the time regardless of the high tossing waves.

According to recent figures, Texas has 65,067 independent stores as compared to 4,334 chain stores. The independents sell 78.2 percent of all merchandise handled in the state as compared with 18 percent sold by the chains. Up to the present time the chains have not greatly disturbed the independents. Perhaps the time will come when chains will dominate the retail field, but for the present they are confining their activities to the larger towns of the state.

Those who gamble on the stock market—or at least many of the gamblers—lost their shirts last week in the biggest crash of the year. The losses were paper losses. The real values are still there, just as they were before the crash. Substantial businesses will continue to make a profit, regardless of the manipulations of the gamblers. A Japanese war scare started the downward swing. Wall Street is the most silly and gullible place on this green earth.

The big fuss about Justice Hugo Black having been a member of the

klan seems to have suddenly subsided as quickly as it burst into prominence. After all it was a good yarn for the daily newspapers, but the American public failed to get hot and bothered over a dead issue.

John Lewis has dropped greatly in the estimation of politicians who were fearful of his third party threat. 1940 will not be a third-party year. A large percent of the voters will string along with the two old reliable parties, although new leadership is certain to be developed.

Billies Fall 19-9 as Bisons Tally in First Three Frames

West Texas State's stock among powerful grid machines in the Southwest took another upward trend when the Buffs pushed across scores in the first three quarters and then leaned back on their heels in the last frame to nose out the Daniel Baker Hillbillies 19 to 9 Friday night.

Aware of their plight in the last lap of the thrilling battle, the Hillbillies took to the air on virtually every play. The visitors put 41 forwards in the air during the game and tabulated 20 successes for 213 yards advance at that method. With the game in its last stages, Payne, a substitute for slippery Whitmire hurled a 27-yard pass to End Wohlford for the lone Hillbillie counter.

Thomas Punts Magnificently
It was the phenomenal punting of P. A. Thomas, 180 pound Buff quarterback and the Bison's pass defense that weathered each razzle-dazzle offensive play of the Billies' repertoire. Linebackers Carl Matney and Ed Williams, and linemen Walling, Harp, Horton and Hinger were the standouts in the rare exhibition of defensive football.

The initial touchdown march of the Buffs began on their own 25, and included a series of off-tackle thrusts. Thomas started the ball rolling when he slashed through right tackle, reversed his field and galloped into the broken field for a 35 yard advance. Watkins stacked up 12 yards with a pass to Slack, and then provided ten more with a trot to the 11-yard marker. In two more plays, Dow accented the long drive when he powered his way for

the first score from the four. Watkins' kick failed.

Alford Scores
Alford, Brownwood tackle, accounted for the first Billie counter when he sifted through to block Thomas' punt in the end zone for a safety.

F. A. Thomas supplied one of the shiftest brands of broken field running ever seen in Panhandle football circles, a few moments later, when he faked a handout to halfback Slack on the 31-yard line, and punched through a hole at left tackle and tore into the open field. Inside of the 40 yard stripe he barely escaped being tackled when Big Craig Walling executed a block on safety man Whitmire so the lumbering Thomas could slip on by. Dow converted from placement, score 13-2.

Dow Scores Again
Thomas figured into the next score when he crossed up the league by passing on fourth down from the 35 yard line to Fullback Dow on the 20 where Walling duplicated his blocking feat of a few moments back so his teammate could march across for pay dirt. Dow's kick was wide. Buffaloes 19, Hillbillies 2.

From this point, the Hillbillies, featuring passing of Stanford and Whitmire, took to the air to no avail.

Starting lineups:
Buffaloes: Walling ltr, Stephenson ltr, Hinger lgr, Williams c, Horton rgr, Harp, co-cap rti, Neilson rel, Thomas qb, Lyde ltr, Slack rti, Dow fb.
Hillbillies: Wohlford Carroll, G. Wagon, Durham, K. Newton, Alford, Bittick, Punderburk, Stanford, Whitmire, Watson.

"The Rest of the Record"

BY JAMES V. ALLRED
Governor of Texas

Austin.—The opening week of the extraordinary session of the 45th Legislature has arrived and again the legislative chambers of the capitol are filled with the people's representatives.

As Governor, I felt it imperative to convene the session in order that the Legislature might pass laws levying taxes to raise revenues sufficient to provide adequately for:

1. The wiping out of the deficit in the General Fund and to make income equal outgo from said fund.
2. To provide additional funds to be allocated for old age assistance.
3. To provide for aid to the needy blind, the dependent, neglected and needy children and to take care of the state's portion under the teachers' retirement amendment act.

Let me review briefly these points of the call.

First: The general fund of this state at present is operating under a deficit approximately fifteen million dollars with the income into the fund lacking four and a half million dollars per year of equaling its outgo. The legislature at the recent regular session increased appropriations approximately four million dollars per year without providing a single penny of additional revenue to care for either the deficit or the increased appropriations.

It seems only good business—for a state or an individual—that income should equal outgo, and that a deficit should be wiped out.

Second: At the regular session last January I recommended that additional moneys be placed in the old age assistance fund. That fund is now in debt \$1,826,000.00 on outstanding warrants and the Board of Control estimates that in addition we need to allocate approximately two million dollars annually to this fund. In my opinion, the old Legislature should provide this additional revenue for the old age assistance fund in order to care for the actual need.

Third: At a special election held on August 23, 1937, the people adopted amendments to the Constitution to authorize the state to aid the needy blind and provide help for the needy, neglected and dependent children of this state under provisions of the National Social Security Law. The amendment providing for this participation by the state under the social security program required the state's share not to exceed \$1,500,000.00 per year.

The regular session of the 44th Legislature submitted a constitutional amendment providing a teacher retirement system for Texas which the people approved by popular vote. The 45th Legislature passed a law to make the amendment effective. State Auditor Tom King has estimated a minimum need of \$1,360,550.00 and a maximum of \$1,683,750.00 as the state's share in matching contributions by teachers for their retirement system.

In previous releases of "The Rest of the Record," I have stated my position in limiting this session to revenue raising purposes only. No one can deny that it is my duty as Governor to recommend a revenue program to finance the people's program.

It is the duty of the Legislature of this state to provide revenues for the operation of the government, and in my opinion, it is certainly the duty of the Legislature to provide revenues to take care of the appropriations they have made themselves and to carry out the people's will as manifested in the adoption of these constitutional amendments.

No other session has offered a more patriotic opportunity for the people's representatives. In the interest of the six million whom we represent, I fervently hope that the members of the 45th Legislature will face squarely the issues and pass the revenues necessary for the people's program.

Traffic Officer: Hey, there! What's the idea of tying up traffic like this? Why don't you use your noodle?

Sally (sweet young motorist): Oh I'm so sorry officer! I didn't know this car had one.

Playfoot: Do you know how far apart your ears are?
Pancake: No, I haven't the slightest idea. How far would you say it is?
Playfoot: Well, in your case I'd say one block.

Percentage figures to the contrary, the real winner in the National League race between the Giants and Cubs probably will be the only one that doesn't have to meet the Yanks in the world series.

Special Train To El Paso Oct. 9 Thought Unlikely

A special train to El Paso for the Buffalo-School of Mines football game October 9 seemed unlikely yesterday since Santa Fe railroad officials informed Coach Baggett that the rate of \$7.35 for the trip could not be reduced.

It was originally announced that rates might be reduced to \$5 if as many as 350 passengers could be secured. No action was taken on the plan by the faculty executive committee last week.

Two hundred passengers would be necessary in order to run the train. Students who still wish to ride a special to El Paso should leave their names at the publication office immediately in order to give an indication of the number of students who still wish a train.

Several people in town have indicated that they would ride the special in addition to several Buffalo supporters in Amarillo.

Doubtful of the probability of running a special because the minimum cost to each passenger would be at least \$10, Coach Baggett said he was still eager to have the students follow the team to a game.

Frosh A Team Upsets B Squad 38-0 Friday

Friday saw the prelude of a hard season as the freshmen charges of Bob Cox and assistant Vernon Johnson engaged in a tussle that saw the A team come out ahead with the top-heavy score of 38-0. Lloyd George, scrappy guard from Plainview, was the standout of the day being closely seconded by Foust, fullback of Littlefield.

The game Friday disclosed several weaknesses especially in the center of the pack. The freshmen mentors' chief worries are centers and guards. Punting also is only average. However to offset this, Cox has a trio of fine passers in Bill Loter, a left-hander from Childress, Beryl Blackshear, of Turkey, and Velton Sorege of Canyon. "I've been working the life out of them this week," said the frosh coach, "and fortunately have had only one injury. As for drills, we've been sticking close to the fundamentals of blocking and tackling."

Her Father: Young man, I just saw you kiss my daughter, and I want you to understand that I just can't stand that sort of thing.

Young Man: I'm sorry, sir, but—er just try it. You have no idea how nice it is.

Just because two women are bushy when they meet on the street is no sign that they feel that way about each other.

OPINION

There was an old man who had a grouch and a pretty daughter. The daughter attracted young men to his home, but the grouch sometimes drove them away. Besides, the old man was not in any hurry to have his daughter marry and leave him.

One afternoon, as the old man sat on the porch of his home, a young man called. While waiting for the daughter to come down, he sat on the porch near the father. To start a conversation, the young man said: "Looks like rain, Mr. Brown."

"Tain't goin' to rain," said the old man.

There was a silence for a few moments, then the old man said, "What's your name, young man?" "My name's John Richard Jones, son of Newton Jones of Hopeville."

"What, you're not the son of my old friend, Newt Jones? Well, it may rain."

Miss Ethel Ruth Collins Recipient Of Many Pre-Nuptial Courtesies

Miss Ethel Ruth Collins, daughter of Mrs. T. W. Collins, and bride-elect of Mr. Frank Spring, was honored at a bridge party Friday evening of last week at the home of Mrs. A. W. Sternberg, with Mrs. Howard Batchelder of Dimmitt and Mrs. Clyde McElroy acting as co-hostesses.

Beautiful arrangements of cut flowers adorned the reception rooms where tables were placed for bridge. Burgundy and blue, chosen colors of the bride to be, were carried out in the table appointments.

High score prize for the evening's play was won by Miss Ann Smith of Amarillo, who in turn presented her trophy to the honoree.

A dainty ice course with punch, cake and mints was served to those seated at a late hour.

Those from out of town were: Misses Margaret Collins, Marile Lowe, Ann Smith, Kathryn Coleman, Hannah McCormick, Mrs. W. S. Hahner, and Mrs. Aileen Salmon all of Amarillo; Mrs. Terrill Christian of Claude, sister of the honoree, Mrs. Gordon Thompson, Lubbock, Miss Eufaula Wise, Lubbock.

Others in the party were Misses Mary Collins, Gladys McClanahan, Virginia Jarrett, and Mrs. T. W. Collins.

SHOWER IN AMARILLO

Saturday afternoon Mrs. W. S. Fahrner and Mrs. Aileen Salmon entertained with a seated tea at 1920 Harrison Street in Amarillo honoring Miss Ethel Ruth Collins, who is to be married here Sunday morning at the home of her mother, Mrs. T. W. Collins.

In the receiving line were Mrs. Fahrner, Mrs. Salmon, Miss Collins, Mrs. Collins and Mrs. Terrill Christian of Claude.

Cut flowers made up the attractive room decorations for the occasion which was one of merriment as the honoree inspected her large assortment of gifts which had been formally presented by little Miss Grace Elaine Puckett of Amarillo acting as a Page.

Misses Mary Collins of Canyon and Margaret Collins of Amarillo presided at the lace covered table, centered with cut flowers and yellow tapers. Punch, sandwiches, and assorted cakes were served.

Those attending from Canyon were the honoree Miss Ethel Ruth Collins, Mrs. T. W. Collins, Misses Mary Collins, M. Moss Richardson, Gladys McClanahan, Virginia Jarrett, Mrs. A. W. Sternberg, Mrs. C. A. Murray, Mrs. Clyde McElroy.

Amarillo guests included Misses Margaret Collins, Esther Boulware, Catherine Driskill, Virginia Leigh Bull, Ann Smith, Jessie Ingram, Maurine Hale Simmons, Thelma Stoltz, Gladys Armstrong, Marile Lowe, and Mrs. C. L. Copeland, Mrs. Gerald Brown, Mrs. C. E. Huckleby, Mrs. Robert S. White, Mrs. Emily Hall, Mrs. Ewell Fowler, Mrs. J. S. Evans and Mrs. Lillian Rogers.

Others were Mrs. Terrill Christian of Claude, Miss Eufaula Wise of Lubbock, and Mrs. Howard Batchelder of Lubbock.

Miss Johnnie Courtney is spending the week with her mother in Floydada when she, Mr. and Mrs. A. B. Duncan, and Arthur Bailey, Jr., made the trip there Sunday.

Miss Helen Lyles left this week for Cincinnati to attend a general convention of all Episcopal Churches.

FELLOWSHIP CLUB

ELECTS OFFICERS

The Fellowship Club of the First Christian Church elected officers for the coming school term at their regular meeting Sunday evening. Officers are: M. W. Fields, president; Malcolm Day, vice president; Miss Nancy Bridges, secretary; and Miss Ruth Enoch, treasurer. Marshall Riemenschneider and Howard Bull were elected pianist and song leader, respectively.

This club seeks the growth of each individual through the open discussion of problems with others who hold the same ideals. It offers a social period each Sunday evening following the discussion period to give each member the advantages of Christian Fellowship.

Through its sponsors, Mr. and Mrs. Irby Carruth, it endeavors to furnish understanding and adult perspective upon the situations common to college students.

The program for this Sunday evening will be an open discussion led by Miss Helen Mangum upon the subject "To what extent are we fodder for the billboards and advertising agencies." We would like to have you come and share your ideas with us.

MRS. W. A. PATKE HONORED MISCELLANEOUS SHOWER

The garden at the home of Mrs. Albert Brown, 1702 Second Avenue was the scene of a delightful gathering Tuesday evening when Mrs. W. A. Patke, nee Evelyn Boyce was the honoree at a miscellaneous bridal shower.

Chairs were placed in a circle on the lawn where the guests were seated when the honoree was called over to her sister's home. Upon arriving the lights were turned on to show up the crowd of smiling faces to the utter amazement of the new bride. Gifts were piled high on a large table which was centered with a lovely arrangement of dahlias complimentary of Mrs. D. D. Stevens.

As the guests registered in the Bride's book, which was presided over by Miss Viola Boyce, sister of the bride and Miss Pearl Mayben, they were presented with individual corsages of pink and blue asters, chosen colors for the occasion.

Gifts were received from the honoree from approximately 130 people, with about 60 of that number present for the occasion.

A delicious refreshment plate carrying out the chosen color scheme, with sandwiches, olives, cup cakes, mints and punch was served at a late hour by the hostesses, Mrs. Bob Barker and Mrs. Albert Brown. Assisting in the serving were Misses Allie Mae Wilson, Neva Robbins, Viola Boyce and Pearl Mayben.

T. E. L. CLASS ELECTS NEW OFFICERS TUESDAY

Members of the T. E. L. Class of the Baptist Church met in the regular business and social hour Monday afternoon with Mrs. Myrtle Gordy from three until five o'clock. Autumn flowers placed about the entertaining rooms added to the attractiveness of the occasion.

Mrs. Gordy, president presided at the business meeting at which Mrs. Myrtle Stratton, secretary, gave a resume of the work done by the class during the past year. Mrs. E. M. Francis, teacher, gave an interesting talk on Aims and Purposes of the class, emphasizing the study of the Bible. The report of nominating committee as read by Mrs. S. L. Terry was adopted, and officers for the coming year will be installed at an early date.

Dainty refreshments carrying out the class colors were served by the hostess assisted by her niece, Miss Cone.

Present were Mrs. G. C. Cole, Mrs. Francis, Mrs. Terry, Mrs. Silas Hart, Mrs. Crawford, Mrs. Abbott, Mrs. J. C. Dowd, Mrs. Henry Long, Mrs. M. E. Sogee, Mrs. B. F. Waller, Mrs. J. C. Baker, Mrs. G. B. Heath, Mrs. Stratton, and Mrs. F. H. Campbell.

Two small girls were having a tremendous argument.

"My daddy's a mounted policeman," said Betty. "He rides a horse all day."

"That's no better than being an ordinary policeman like my daddy," said Peggy, proudly.

"Oh, but it is," said the first child. "If there's any trouble, he can get away quicker."

CCC ENROLLMENT ENDS FIRST OF OCTOBER

Several local boys have enrolled in the CCC for the new period starting the first of October. For the first time in two years boys may enter whose families are not actually receiving relief. The broadening of the requirements will permit boys to enroll whose families do not have sufficient funds for normal standard living.

A change has also been made in the ruling which will permit many of the present enrollees to remain in CCC camps who had thought they must leave the service.

The company at Palo Duro State Park will be filled to normal strength after the enrollment period.

Ruth—Do you know you are the first man to kiss me?

Jack—Then you must have taken a correspondence course, for you certainly don't act like a beginner.

Second Crook: "E fell through some scaffolding."

First Crook: "Whatever was 'e doing up there?"
Second Crook: "Being 'anged."

Little Jackie: What are prayers, Mummy?

Mother: Why they're little messages to God, son.

Jackie: Why do we always have to send them at night—to get the cheaper rates?

Mrs. Wimpus—I understand that instead of the word "obey," the new wedding pledge for the bride is "to love, cherish and inspire."

Wimpus—Yes, and to have it right for the groom, it should be "to love, nourish and perspire."

Exes to Choose Queen Homecoming Day

The Homecoming Festival of West Texas State this year will feature the selection and crowning of an ex-student beauty queen who will be chosen from the rank and file of the returning alumni to reign over the great events of the annual holiday.

The beauty parade and coronation of the queen will climax a colorful carnival program which will be arranged in the reception and ballrooms of Cousins Hall on the evening of October 22.

Ex-students of each county will be invited to select a beauty entrant from among their number. Names and pictures of candidates of the various counties of Texas and nearby states are desired immediately by Mrs. Tommie Montfort, chairman of the planning committee for this event. Entrants should be certified by Mrs. Montfort by October 16, but names and photographs are needed immediately for newspaper use. Only one entrant will be allowed from a county. The only requirement other than beauty for the contest is that the entrant be an unmarried girl.

Plans for the Homecoming Festival were announced Saturday, September 25, by Superintendent Lee Gilmore of Wheeler. Mr. Gilmore is president of the ex-students' association of West Texas State College. Serving with Mrs. Montfort, chairman, other members of the Central Committee of homecoming activities include Miss Isabel Robinson, Olin Hinkle, Irby Carruth, Mrs. Ray Campbell, Miss Ruth Lowes, Miss Ruth Cross, and Clarence Thompson.

The coronation program will top off an extensive program of activities featuring entertainment during the evening in the rooms of Cousins Hall. These plans have been worked out to allow and promote informal visiting among the "Exes of W. T."

Four rooms will masquerade in special costume and decorating schemes. A Western Room, with decorations of a western and pioneer flavor, will feature square dancing. A neighboring Square Dance Club will be invited to bring its orchestra and to direct this ac-

tivity. Plans are being hinted at for a special Faculty Square Dance which will be the high-spot of the Western Room Floor Show.

The Spanish Room in its appropriate costume will offer native color in both Spanish and Mexican singing and dancing, while the Fine Arts Room, with Miss Isabel Robinson in charge, will feature an art exhibit of ex-student paintings as well as a musical and fine arts program. Assisting Miss Robinson will be John A. Gillis, Miss Marilyn Miller, Miss Agnes Charlton, Miss Marie Fronbarger, L. T. Barksdale, and Carl T. York.

The Cabaret, an ex-student night club furnishing a floor show with tap dancing, team dancing, and singing, promises to be the hot-shot of the evening, with Mrs. Ray Campbell as hostess, and Mrs. Clarence Thompson, Miss Helen White Moore, Lewis Shirley, Mrs. S. H. Condon, Mrs. Bill Black, and Miss Orpa Dennis as assistants. All entertainment will be free to students, ex-students, and the public. Cold drinks, balloons, and confections of all sorts will be available in the cabaret.

The contest of the beauties and the coronation of the queen will terminate this part of the evening's activities. "Peacock Alley," setting for the coronation, decorated in the extravaganza appropriate to its name, will be the promenade. The young women, dressed formally, will parade down "Peacock Alley" before taking a position to form a line from which will be studied by secret judges in the audience. After the announcement of the judges' decision, the queen and her company will proceed to the setting arranged for the crowning of the queen by some notable selected for the occasion.

The Queen will reign over all the Homecoming Festival events. The Queen and her beauty court, as well, will be honored at the football game next day.

Some prominent American will be guest-speaker at 11 a. m. on Homecoming Day, and a barbecue will entertain the alumni at the noon period. In the afternoon, the Buffaloes will meet the powerful team from Northwestern Oklahoma Teachers College. A Homecoming ball will conclude the festival.

Further details of the Festival program are being worked out by the Central Committee. Miss Ruth Lowes, a member of the Central Committee, is also serving as head of the reception committee.

Mr. Gilmore, president, urges the ex-students of the various counties to organize immediately and select their beauty candidates. Plans are being made to carry out the pageantry and activity of the Homecoming Festival into an annual affair.

FIRST CHRISTIAN CHURCH

The subject for the morning worship will be "Where do we go from here?" The seven-thirty worship service will be built around the theme "Admirers or Disciples." The Bible school will meet at the regular hour at 9:45 and the Young People's Fellowship Club meets at 8:10. Choir practice will be held at seven o'clock each Tuesday under the direction of Mr. Riemenschneider and Mr. Howard Bull. We have secured several fine anthems and we invite those who enjoy singing to enjoy this work with us.

NOBODY'S BUSINESS

BY JULIAN CAPERS, JR.

Austin—An omnibus bill, carrying moderate increases in taxes on natural resources, with oil, sulphur and natural gas as the chief contributors, appeared to be the best bet to emerge from the taxation muddle as the 45th legislature began its special tax session this week. There was no assurance that any new taxes would be voted, but the omnibus method, rather than single-shot tax legislation, apparently was the early choice of the majority of those members who feel that some new revenue is essential. The strong senate bloc which denies the need of new funds at this time may be able to block all tax increases. But it will take a couple of weeks, at least, for the oratorical and political fireworks to be disposed of, and the House, where tax bills must originate, to pass some bills over to the senate, before a definite line on actual accomplishments of the legislature will be available.

Leaders Furnish Drama

Dramatizing the two schools of thought on the tax controversy are Gov. James V. Allred, fiery, dynamic and 100 per cent sold on the need of \$15,000,000 new revenue, and the senate veteran Tom Holbrook, of Galveston, who is equally convinced that no new tax burden need be imposed on Texas citizens. Holbrook, conservative, eloquent and studious, is an old-school statesman who believes the modern trend toward expansion of governmental activity and particularly the social security program are a menace to democratic institutions. He has been consistent in his political beliefs, and has advocated them as strongly when he was in the hopeless minority as he does today, when he apparently comes much nearer to having a majority of opinion with him. Holbrook, serving his 17th year in the senate, has never given the slightest regard to the public popularity of any cause he advocates or opposes. The people of his district apparently respect his habit of bluntly stating his convictions, regardless of their popularity, and they regularly send him back to represent them in the senate.

Diversion Unpopular

Rep. H. L. McKee, of Port Arthur, got a quick and unfavorable reaction to his proposal to divert into the general fund \$3,000,000 of gasoline tax money from the fund to retire county road bonds. Highway enthusiasts registered such a storm of protest when Gov. Allred recommended a similar diversion from road funds last year that the legislature quickly dropped the proposal. Even Gov. Allred pooh-poohed McKee's suggestion. A dozen influential house members, including George Davisson of Eastland and Joe Keith of Sherman, immediately registered opposition to McKee's suggestion.

New Laredo Bridge

Plans for a new free international bridge to replace the present toll-bridge at Laredo, on the Mexico City highway, were advanced at a conference here between Texas highway officials and a delegation of Mexican highway officials headed by Undersecretary Herrera of public works. Chairman R. L. Bobbitt of the highway commission, fully recovered from his recent auto accident injuries, gave a dinner for the visitors, at which speakers included Gov. Allred, Col. Ernest O. Thompson, judges of the high Texas courts and other state dignitaries.

Names and News

Charley Green, editorial executive of the Austin American-Statesman newspapers, authored the best wisecrack of the week when he remarked at a dinner where discussion of President Roosevelt's western tour was under way. Green said: "Yes, it looks like everybody in the country has quit Franklin Roosevelt except the people." John Wood, once secretary to Gov. Miriam Ferguson influence on the state highway commission, sought to do a little political fence-building this week, but it backfired. Wood, who is "thinking about" running for railroad commissioner against Chairman C. V. Terrell, disclosed to the senate investigating committee that the highway commission had asked bids on an airplane, and inferred the plane was for Chairman R. L. Bobbitt's personal use, adding that he was going to vote against the purchase. Later investigation developed the plane purchase was asked by the engineering department, for use in making aerial surveys of road locations, as half a dozen other state highway departments do.

A man met a friend on the street, all bandaged up and walking on crutches.

"What happened?" asked the friend.

"Well, I had a date last night with the girl friend. We were dancing, when her father came in. You know, he is hard of hearing and couldn't hear the music."

The first sign of a man's acquisition of wisdom is his own admission that he's a chump.

Sometimes it takes only a nut here and there to make a crank invention work.

We Won!

Everybody's happy after last Friday nite when we won from Memphis in football. Yes I got that an I wuldn't have missed the game fur nothin. Bo and Bot shure made them touchdowns in a purty style. That D. A. Butler was a honey when he caught that pass with his left arm an he wusn't an inch from offside. Them few pep gals down that really showed everybody how that yelling was done. I sez ter Miriah after I got back that I was going to see that all of em gals went to all th rest of their out uv town games. I wished every kid in schule woud buy a season ticket an go to all uv thu games at home, anyway, if not to all of em. I'd like to see em Eagles give Friona a lickin this Friday nite.

Wal didcha-no we had freezin weather har this week-end. I started to git out my old bear skin coat but thu moths had beat me to it. Mr. Pope left Tuesday. I almost cryed cuz he shure is a good man. He was one fine teacher cuz he always was considerate of ole Cactus. One konsilation is that Jimmie Pope is gonna stay fur football season and maybe fur basketball tu. I sez good luck to the Popes. I'll be a seain off.

HERE'S OUR THANKS

Mr. Pope has gone, leaving a huge gap in the Canyon High School. No more will we be able to walk by the office and chat with him, take him our problems, or find him to learn almost any information about school.

We appreciate everything that Mr. Pope has done for C. H. S. He has stayed at school and worked late at night, so that we could have a better school and have everything on time. When we wanted something done, we usually asked Mr. Pope to do it, or asked him who could do it. He has not only taken part in school activities, but he has won favor and friends in town as well. Although at times it has seemed that we did not appreciate Mr. Pope, we really did appreciate him and we hope he enjoys his new position.

We are glad to have contacted a man of his character and ideals, and we hope that we can live up to the example he has set before us.

WILL YOU BE THE NEXT TO DIE?

I picked up the paper the other day and these headlines blared, "684 Texans Yet to Die Violent Deaths Through Automobile Accidents." Already there have been 1,241 added to the year's total. Still this does not include the crippled and deformed, or cost of expenses.

Maybe this doesn't mean much to some, but let's take a situation right here in our county. Saturday night four persons were killed and two injured, one seriously. Joseph Kohl, 24, of Nazareth was killed when the automobile in which he and four other persons riding crashed into a truck. They were enroute home from the Tri-State Fair. It had been a happy day for them. They had had much fun, riding the swings, seeing the rodeo, attending all shows and midway and the circus. All were happy as they left for home. They went gliding down the road and then—crash! Ambulance attendants, who took the dead, said Mrs. Bill Adams was decapitated. Her head was found 50 feet from the car.

Wars are a long way off. They are not on our continent. We express horror at the idea of war; yet, what war has killed 1,241 Texans in eight months? In the four months left in 1937, what can we do to spare the lives of the 684 who are, according to previous statistics, destined to die?—D. W.

Marielle Oldham, graduate of '37, who is attending Texas Tech, visited her parents here over the week end.

Louis Jo Hardinon of Vernon, spent the week end with Mary Zachry.

Eagles Will Play
Chiefs Fri. Night
At Friona

The Eagles will journey to Friona to meet the Friona Chiefs tomorrow night in the Eagles' second game for the season.

Coach Hutto said, "The Eagles are in a fine physical condition and are in a high spirit after their hard fought victory over Memphis last week. The Eagles have been working on blocking and tackling this week, and have improved very much."

The chiefs, under Coach Jack Davis have played two games losing one and winning one. They lost their first game to the Plainview B team and won a game from Adrian.

The probable starting lineup is:

Canyon	Friona
Vandergriff	le-re Massey
Brasuel	lt-rt Bradley
Carr	lg-rg Williams
Butler, Tom	c-c Loveless, L
Pope	rg-lg Hinds
Crowley	rt-lt Loveless, V
Hill (c)	rs-le Brookfield
Rusk (c)	t-t Short
Ford	lh-rh White
Gill	rh-lh Frost
Butler, D. A.	f-f Baxter

The pep squad, drum corps, and band are going to Friona to back the Eagles. The drum corps and pep squad plan a stunt at the half.

Preacher Recites
Musical Story

The high school was entertained by Joe Strother, a Methodist preacher, who told two stories while playing the piano.

Rev. Strother, who is holding a revival meeting at the Methodist church, told the high school about a musician who could play nothing but, "There Will Be a Hot Time in The Old Town Tonight." He played this song as a processional, a waltz, a fox-trot, an assembly march, a funeral march, a wedding march, and a classical number. As an encore, using the piano for sound effects, he told a story of a man traveling on the Sahara Desert.

After Rev. Strother talked, Mr. Carruth, superintendent, announced that Mr. Pope, principal, would leave for his new position Tuesday. He expressed his deep regret, and the audience gave a standing vote of thanks and applauded in appreciation of Mr. Pope.

Vacations Are Spent
In Various Ways

Hudson Prichard, sophomore, returned home the Saturday before school started from Creede, Colorado, where he enjoyed his vacation with his family and Dean Nicholas, freshman, his guest.

Grant Sharman, sophomore, went to Big Spring, Texas, where he visited relatives during the summer. Bob and Joe Ziegler, sophomore and sub-freshman, visited in Jacksboro, Texas, Aug. 22. They were with relatives, and returned Sept. 5. Sunshine Hardin, sophomore, went to Boulder, Colorado during the summer.

Polly Cluck, sophomore, went to Rudoso, N. M. in August.

During the summer, Stuart Condon, freshman, visited Yellowstone National Park, Vancouver, British Columbia, San Francisco, Los Angeles and the Grand Canyon with his family.

Harry Brown, freshman, visited Yellowstone National Park with his family during the summer.

Martha Frances Campbell, sophomore, visited Yellowstone National Park and Salt Lake City, Utah with her family during the summer.

Ketee Johnson, sophomore, visited in Amarillo for two weeks with Louise Tankersley, a former Canyon resident.

Renna Beth and Robert Bellah visited in Rudoso, N. M. with their family last summer.

Gari Cone attended the Pan-American Exposition this summer.

Douglas Brasuel went to Palacios with the National Guards, Aug. 7. Margaret Stewart visited in Dallas in August.

Opera Burgan visited relatives in Flagstaff, Arizona during the summer.

Nora Lee Brazil visited friends and relatives in Central Texas and New Mexico, and attended the Pan-American Exposition in August.

Jimmie Sol Slack visited friends in Jonesboro and returned a week before school started.

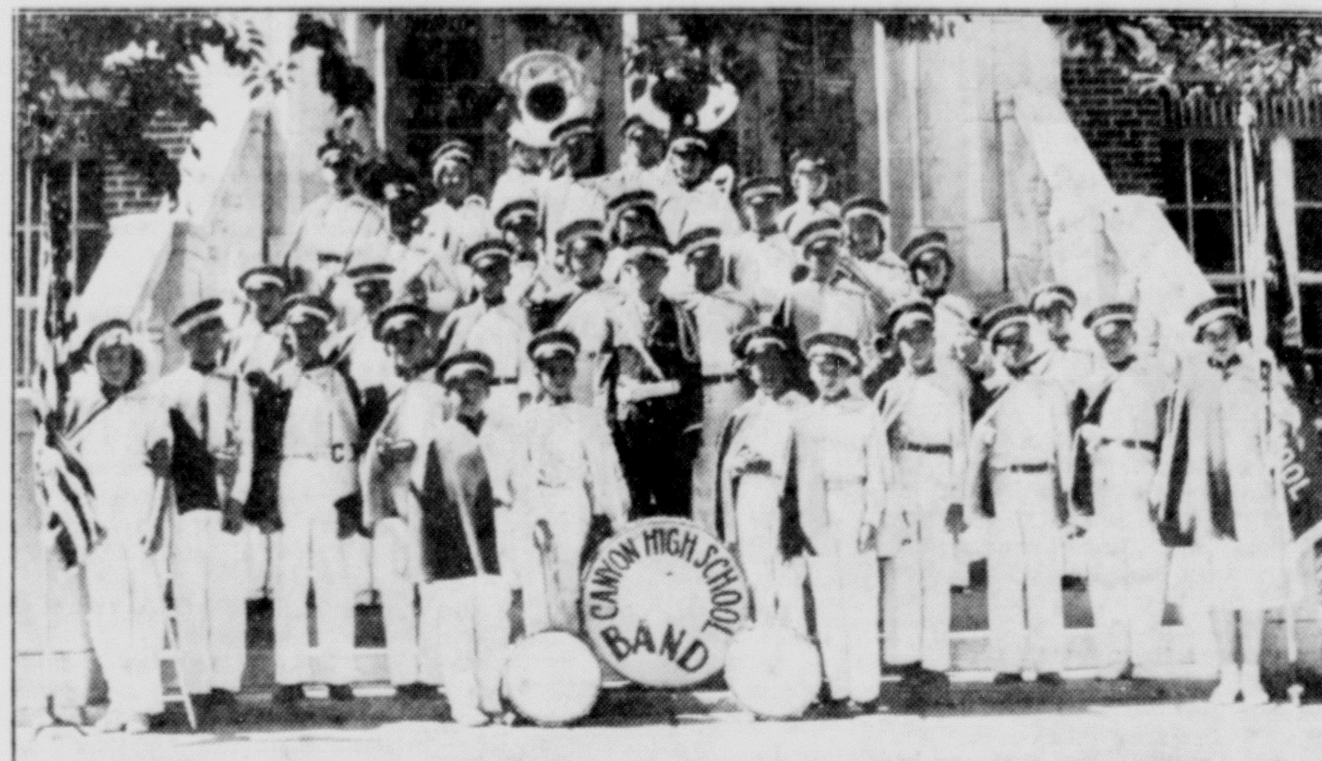

Shirley Ann Oliver visited in Brownville during the summer.

Natalie Flesher visited in Pampa and Hereford this summer.

Dorothy Warwick visited her mother, Mrs. Wm. Ketels, at Barnes City, Iowa.

Billie Bee Flesher, ex-student of '36, visited school Friday.

CANYON HIGH SCHOOL BAND

F. F. A. Makes Plans
For This Year

The executive Committee of the local chapter of Future Farmers met Monday in the Agriculture Room, to make a list of objectives for the 1937-38 year.

Twenty-eight boys have paid the dues of \$1 for the year, half of which goes to the National organization to buy pins for the boys, and the other half to the Canyon Chapter.

The Canyon Chapter placed eleventh on their booth at the Tri-State Fair. They received \$16 to add to the treasury. Quail won first place on booths at the fair.

The Chapter visited the fair Monday and judged booths and the division of live stock.

In order to show their appreciation to Principal John B. Pope, who left Tuesday, the Canyon Future Farmers presented him with a knife to place on his watch chain.

School Gold Diggers
Attend Fair

Well, it looks as if everyone in Canyon High School attended the Tri-State Fair last week including Douglas Brasuel. Gee, I never saw so many people when the school turned out last Wednesday afternoon for everyone to go to the fair and take in everything, and I do believe everybody did.

Girls Dig Gold

Talk about gold diggers, I do believe we have a few. Some of which are Shirley Ann Oliver, who tops the list, Sweetie McNeill, Natalie Flesher, Dorothy Warwick, Margaret Stewart, Martha Jo Newlin, and Hazel Sanders.

Did anyone see Clarence Zachry with one girl twice, they must have been seeing things if they did.

Does anyone know why Ray Ford Rusk, Tommie Butler, Joe Patterson, Jimmie Carr, D. A. Butler, and Glenn Burrus lingered so long at Little Egypt. If anyone knows, I wish he would tell me.

Annie Ruth Has Patch

Annie Ruth, what is that patch doing across your nose? Of course I'm just curious, so I couldn't help hearing that maybe it might have something to do with the stunt flyer that took a lot of interest in you Wednesday.

By the way, Helen Hurst, who was the strange boy friend that gave you the thrill by pushing up and around on the swings? It also seemed that D. A. got a free ride out of a deal by pushing a woman on the swings.

Does anyone know why Frank A. Gyles and Robert Bellah got gyped 50 cents each. I don't know, but I think there were two unknown girls in the deal.

Say, has anyone seen Herschel Burrus' and Billy Sternenberg's picture they had taken together? They're beautiful, just ask them. There were some other good looking pictures taken too.

Student Enjoys Octopus

Dorothy, how come that you were so dizzy after you got off the Octopus? Was it the boy friend or was it the Octopus?

Well, after seeing some of the students of Canyon High School Thursday morning after the day before, they must have had a good time. The Fair is a fine thing, but I guess it is just as well that it comes only once a year because Sue Terry missed four days of school because of illness after she went.

Mary Collins, Carolyn Mayfield, Mary Avent and Mavis Harden, ex-students of '37, visited school last Thursday.

Sarah Thompson spent the week end in Tulla.

Sue Terry was elected president of the Dramatics club at its initial meeting at 4 o'clock in the high school auditorium Monday. Other officers elected were vice-president, Polly Cluck; secretary and treasurer, Bettie Guthrie; publicity chairman, Ketee Johnson; and reporter, Martha Frances Campbell.

A play, "Parlor Tricks," was read by Miss Helen Anglin, the sponsor. It was an all-girl cast play. Try outs were held for the characters in the play but no definite parts were assigned to the girls as yet.

The members attending the meeting were: Dorothy Strain, Ketee Johnson, Sunshine Hardin, Polly Cluck, Gertrude Friemel, Veronica Beckman, Dorothy Heath, Doris marie Ball, Norma Lee Black, Betty Guthrie, Martha Frances Campbell, Vaughn Vandergriff, Bob Ziegler, A. L. Woods, Eva Griffin, Melba Farr, Loretta O'Dell, Wilma Jean Dickerson, Katherine Louise Bobbing, Margaret Lore Steen, Josephine Steen, Elaine Blewett, Charlene Henderson, Edrie McNeill, Hazel Sanders and Bernice Lowrie.

P. T. A. Will Hear
Ritchie Tonight

Miss Jennie C. Ritchie will speak at the Parent-Teachers Association tonight at 8 o'clock in the high school auditorium.

Mr. Riemenschneider will be in charge of the music. There will be a bass solo, "The Mighty Deep," by Kenneth Cofer; "The Old Refrain," by Dean Nicholas, and a number by the Brass Quartet.

Mr. I. B. Carruth will speak on "Two Minutes of Safety," and Miss Ritchie, dean of the Training School, has as her subject, "If We Lived in Australia."

All patrons are urged to attend this meeting.

BROWN DISCUSSES
STUDENT COUNCIL

Mr. Gerald Brown, civics teacher in high school, explained to the assembly on September 23 in the auditorium the campaign election of the Student Council. He compared it with the democratic government of today. He explained how it would help in later life when students wished to take part in the government.

The seniors and juniors will divide themselves into two parties and each party will choose several presidential nominees. The seventh, eighth, and ninth grades will represent the masses of people and will vote after listening to all propaganda from both parties.

The school song was sung with Marie O'Donald, a senior, playing the piano, and Mary Bourn, pepleader, and Carolyn Mayfield, ex-student and ex-pep leader leading the song.

PRIN. POPE TALKS
ON GUIDANCE

Guidance was the subject of a talk given in assembly September 21 by Principal John B. Pope. He stressed the importance of being well educated in the world of today. He referred to the school as being the best place for guidance.

He brought out that a student must do most of this work. He must be willing to work to receive an education for no one else can get his education for him. He must analyze himself to find what work he is best fitted to do.

He suggested later in his talk that at other assemblies he might have people of different occupations talk to the student body.

Season Tickets
Are on Sale

Tickets went on sale this week, for the Canyon Eagles football season. Student tickets for all three conference games and the always colorful Hereford game will cost only 80 cents, while adult tickets for the four games will be sold at \$1.50. These games show promise to powerful Class B spirit. The tickets for individual games will be 25 cents for students and 50 cents for adults.

Mr. Milton Morris, who is in charge of the ticket sale, said that 1500 were expected to buy tickets for the Hereford game October 8. He also said that he would like to see 2000 at the game.

"What's In a Name
Anyway?"

In Canyon High School are found all sorts of useful things such as Chambers, Balls, Bibles, Horns, Persons, Popes, Brazils, Carrs, Hills, Butlers, Hicks, Mosses, Newberrys, Freemans, Kings, Browns, Cairns, Millers, Bands, Cares, Foxes, Guys, Cooks, Polks, Byrds, and Hursts.

In many cases in this school are found two or three people by the same name who are brothers, sisters, or cousins. In some places a surname is not found beginning with "Z." We have five people whose surnames begin with "Z." They are Zimmers, Zieglers, and two Zachrys.

Names are Duplicated
In the senior class names are duplicated. There are three Glens whose names are spelled differently. Glen Burrus, Glenn Campbell, and Glyn Persons. Glen is changed around to be a surname, Jack Glenn. There are three Billys in this class. Billie Bewley, Billy Sternenberg, and Billy Black. Helen Hurst and Helen Johnson are in the senior class. Three girls have Elizabeth for a middle name in this class: Sarah Elizabeth Thompson, Mary Elizabeth Horn, and Margaret Elizabeth Stewart. There are two Margarets: Margaret McGruder and Margaret Stewart; two Maries: Marie O'Donald and Lula Marie Ellison; then two James: James La Cour and James Pope. John is found twice, John Morris and John Albers. In this class as in every graduating class we have the traditional John and Mary graduates with the two Johns just named and Mary Horn.

Initials are numerous in this school. E. E. W. D. A. J. D. A. L. E. F. and W. J. J. and E are the most prominent initials.

Girls Have Boys' Names
There are a few girls who have boys names: Jimmie Slack, Bobbie Watts, Dannie Stewart, and Nora Lee Brazil. There are a number of Joes, but they are all connected with Martha, Mary or Betty. Willenell Zimmer comes in this list also.

There are such unusual names as Brignow, Barnard, Hollobaugh, McPheerson, Hamel, Leavitt, Moth, Dooley, but to cap the climax, the school has one name which probably the owner has trouble in spelling and pronouncing — Riemenschneider.

Wise—or Otherwise?
Dorothy Warwick is trying to find out how to dot "i's" and cross "t's" on her typewriter. When she asked Miss King how it was done, everyone was speechless, while they laughed.

Is This Conceit?
We were set wondering when Douglas Brasuel asked if he might put his picture in his journalism notebook. At any rate, it probably classifies as news.

Eloquence
Why do Ray Ford Rusk and Fairy Hill let Joe Gill outdo them? If they had said about six words more about the team, (they said nothing) they would have swamped Joe in Assembly Friday.

How Many?
Do you know how many acres there are in a section? If you don't just ask Natalie Flesher, she knows, now. In case you doubt this, you can ask Mr. Brown; he will verify it, maybe.

Miss Nell Freeman visited in Dumas over the week end.

Pep Squad Rallies
On Square

A number of Pep Squad girls and a few members of the Band gathered on the northeast corner of the square last Thursday night for a pep rally. Carolyn Mayfield and Mary Collins, both ex-students of '37 joined them.

They gave a number of songs and yells that were heard all over town. Before they left, they sang the school song and gave a yell for Memphis.

Mr. and Mrs. John Dean visited assembly Monday. Mr. Dean is educational advisor at the CCC camp.

Mary Wallace of Wheatland, N. M. spent the week end with Dora Tucke, a senior.

Marshall Riemenschneider Directs Canyon Public School Band Organized Three Years Ago

BAND BROADCASTS

Plays in Lobby of Amarillo Hotel; Parades at Tri-State Fair Grounds And Attends Rodeo

The Canyon High School Band won \$50 in the contest at the Tri-State Fair last week. Swisher County won first prize of \$100 with a margin of 94 votes and a total of 1,627 votes, Randall County second with 1,533, and Carson County third with 869.

The Band was organized three years ago under Mr. H. S. Strain. R. G. Stephenson directed the band for the next two years. Under Mr. Stephenson's direction the band won excellent in class "D" in Amarillo in 1936, and superior in class "C" in Pampa last year at the music festival.

The Band is now under the direction of Marshall Riemenschneider who directed the Tulla High School Band for the last two years.

Members to make the trip were: Cornets: Hud Prichard, Billie Joe Hunter, Carl Small, Anna Ruth Schmitz, Bobby Laughery, Stuart Condon, Dorothy Strain, and E. Burroughs.

Clarinet: W. J. Wooten, Harry Brown, Dean Nicholas, James Thomas Harp, Anna Walsh, Al Hunter, E. W. Woods, Geraldine Hart, J. Spencer Wynn, and Frank Gyles.

Saxophones: Robert Bellah, Bradford Black, and James Sharran.

Baritone: Carl Crisswell.

Basses: Kenneth Cofer and Paul Nickelson.

Altos: Vera Faye Marsh, Dannie Stewart, and Gordon Lynn Dickerson.

Drums: Polly Cluck, Raynelle Rigby, Bob Ziegler, and Vaughn Vandergriff.

Edrie McNeill accompanied the band as twirling drum major.

March on Polk Street

The members of the band left for the fair on the morning of September 22, at 10 o'clock. They marched in Amarillo at 11 o'clock from the Polk Street Methodist Church to the Amarillo Hotel where they played several numbers in the lobby.

They then went to the fair grounds and marched to the Merchants Building and played several numbers in front of the voting booth.

Broadcast Over KGNC

They went to the carnival and exhibitions until 2 o'clock when they attended the rodeo free of charge. At 4 o'clock they assembled at the bus and went to the Merchants Building where they played over the radio for 30 minutes.

The following numbers were played: "Me Geehe," "Shadwell," "Campanus Queen," "Raleigh," "Our Director," "Little Giant," "Man on the Flying Trapeze," and "Drum Major Man."

The pep squad gave several yells and Memphis replied.

They were then free until 9 o'clock when they started home.

Shirley Harrell Gives
Surprise Party

A surprise birthday party was given for all the sixth grade students whose birthdays are in September at the home of Shirley Harrell, September 20.

The students having birthdays in this month are: Anita Davis, Carolyn Black, Elwyn Morton, and Tommy Lou Ford.

Ice cream, served by Mrs. Harrell, and cakes with candles on them, made by the mothers, were served to 22 members of the class and their sponsor, Mrs. John Davis.

Carol Glynnell Creed is the new daughter of Mr. and Mrs. Glyn Creed. Mrs. Creed is the former Vernell Hancock who attended school here three years ago. The family now lives in Hobbs, N. M.

Mrs. L. M. Cousins who teaches grade 4, and Lee Christine Cousins, art teacher at White Deer, went to the Exposition at Dallas Friday and stayed until Monday.

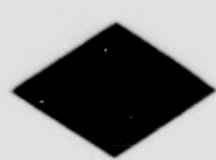

Opal Wall spent Sunday in Clarendon.

The Dutch, even though they paid the Indians only \$24 for Manhattan, were forced to do business with scalpers after all.

There's a Spirit of Neighborliness in Canyon

And this is one reason why we have such a progressive little city and why it's such a good place to live and rear a family . . . we're neighbors. Canyon is not too small to be progressive, be modern, still it is not so large but most everyone knows everyone else. Truly, Canyon is a good place to live. Let's keep it that way! Let's co-operate even closer . . . work continually for our community and we'll all profit.

One way to do this is to whenever possible buy in Canyon. Of course we all want to get all we pay for . . . we want our money's worth, but full value cannot be determined by either the yard stick or the scales. You may get full measure or full weight, still not get "your money's worth" if you send your dollars out of town.

In Your Own Interests, BUY AT HOME

Canyon business men are eager to give courteous, satisfactory service. They're interested in maintaining their customers' patronage, year in and year out—their's

is not one-time transaction. This oftentimes is not true of the transient salesman or the out-of-town merchant . . . they are not your "neighbors."

Schools of Plains Will Be Visited By Faculty Members

Professors of W. T. will extend their contacts into both nearby and distant counties under a program of visiting which henceforth will constitute a definite policy of the institution.

The visits, most of them lasting several days, will extend the services of the College insofar as the educators may be able to be of assistance, and will familiarize the college men and women with the work of the teachers and students generally. School boards, women's clubs, civic clubs, and other groups will be visited as time and occasions permit.

First among the trippers will be Prof. T. M. Moore of the agriculture department, and Mrs. Laura Saunders, critic teacher. They will be in Swisher and Briscoe counties from October 4-8, visiting independent school districts and a few others. Much of their time will be spent in Happy, Tulsa, Kress, Silverton and Quitaque.

On October 12-16, Dr. A. M. Meyer of the education department, Miss Jean Moore, critic teacher, and Miss June Day, senior student, will be in Hale county. This is Miss Day's home county, and she will assist in making up the program of visits.

School and school board officials, by seeking more than casual visits from college faculty members, inspired the policy which now makes such trips possible.

Mrs. A. M. Smith visited friends in Canyon last Friday afternoon. Mrs. Smith is now making her home in Amarillo with her daughter, Miss Ann Smith.

Mr. and Mrs. J. B. Porter of Silverton were visitors Tuesday night in the home of their son, Mr. and Mrs. E. H. Porter.

Erwin Meyer left Sunday for Carlsbad where he will visit with his sisters there for several weeks.

Institute Will Be Held for Federated Clubs on Oct. 16th

In answer to numerous requests from leaders in federated clubs of the Panhandle, an all-day club institute will be held in the Palo Duro canyon Saturday, October 6.

In announcing a tentative program, Mrs. J. W. Walker of Plainview, president of the seventh district, said that the site would be El Coronado lodge on the rim of the canyon. However, if the weather is inclement the meeting will be moved to West Texas State College.

Every club woman in the seventh district will be invited. The session will start at 10 a. m. and conclude about 3:30 p. m. Each member is to take a picnic lunch and paper dishes. Hot coffee will be served free. Admission to the Palo Duro State park will be 15 cents per car, 20 cents for each adult, and 10 cents for each child. A junior session will be held at the artists' colony building nearby. Through the courtesy of W. T. Taylor, park manager, there will be a caravan tour conducted at the close of the meeting. Those who desire may obtain accommodations for remaining at the park during the week-end.

The program outline includes discussion of the duties of federated club officers, club ethics, parliamentary law, programs and program planning, press and publicity, the junior club woman, open forum, state convention, and federation objectives. Various important announcements will be made by board members.

Mrs. Carl Laughery was brought from the Sanitarium in Amarillo Sunday to her home here to convalesce after undergoing a major operation two weeks ago.

Bill Patke returned Saturday from Marlin where he went last week regarding work. He has resumed his work at the City Pharmacy where he has been employed during the past several months.

Buffaloes

(Continued from first page)
Capt. John Bray, the mainstay of the forward wall, have recovered completely from early season injuries, and their return should materially strengthen the Rams' defensive power.

Coach Miller has indicated that he will probably commence with Bray and Rhyme at ends; Livingston and Miller, tackles; Randolph and Segars, guards; L. Bray, center; Rutledge, quarterback; McCarty and Splawn, halfbacks; and Gracey, fullback.

Coach Baggett of the Buffaloes is certain to call on Neilson and Walling, ends; Stephenson and Harp, tackles; Hinger and Horton, guards; Williams, center; Thomas, quarterback; Slack and Lyde, halfbacks; and Dow, fullback.

American Hotel Is Modernized: E. E. Wesley, Mgr.

"Canyon has long felt the need of a modern up-to-date hotel," states E. E. Wesley, and he believes he meets this need in the opening of the "A" Hotel, formerly known as the American Hotel.

The entire building has been remodeled inside and out and offers convenient and comfortable rooms second to none. The rooms are all equipped with new furniture and the Simmons beds boast of inner spring mattresses in all rooms.

The management urges everyone to come and inspect the hotel at the earliest possible time, so that you can safely direct your friends to the comforts of Canyon's "A" Hotel.

Mr. and Mrs. J. Alvin McDonald returned Friday from a trip to Michigan where they attended a convention of Oldsmobile dealers and agents.

J. W. Allen of Fort Sumner was a business caller here Tuesday. He is one of the owners of Allen & Black.

Cold Wave Sweeps But Frost Escaped Over Entire Plains

The Plains section has been enjoying very cool nights during the past week, but no rains have fallen. The afternoons have been uniformly warm.

No frost has been reported in the Panhandle although the temperature has been near this mark several times during the past seven days.

Farmers have been very anxious for more rain so that the wheat planting might be continued. All planting was stopped because of lack of moisture in the ground.

Row crops are being cut over the county. While the grain will not be as heavy as desired, yet the feed will be quite abundant.

Merchant Crashaw—Are you still bothered by those relatives of yours who used to come out from town to eat a big Sunday dinner and never invited you to their apartment in return?

Farmer Cornassel—Nope, they finally took the hint.

Crabshaw—What in the world did you say to them?

Cornassel—We didn't say anything out of the way, but my wife served sponge cake every time they came.

Mrs. Cupp—At last my husband has definitely decided to give up golf. He says a number of his friends have given up the game recently. Has your husband given it up too?

Mrs. Lyon—Yes, he gave it up weeks ago, but he still uses the language when changing tires.

Traffic Cop—What's the matter lady, can't you control that car?

Woman Motorist—Well, you see, officer, I just had my car washed and I can't do a thing with it.

John—Don't you think that Phebe has something of the Venus of antiquity?

Michael—Why—er, yes, the antiquity.

Cooking School

(Continued from first page)

Binding the attractive story together is the romance of home-making, a subject that holds the interest of every woman young and old. Even the Canyon News knows that all women—brides, business types and experienced housekeepers, respond to the fascination of looking in on another woman, when she is at work in the kitchen.

Particularly do they like it when they are allowed to sit quietly and watch her prepare some dish, in which she specializes. They know that if they watch closely, while she measures and mixes and completes the entire cooking operation, this close-up personal study will be more helpful than hours of reading recipes or blind experimenting.

Not only does every person in the audience share this close-up of each stage of the actual preparation, but the kitchen expert clearly explains her methods, so that the measurements on the free daily recipe sheets will make it possible to duplicate that feathery cake and flaky pastry.

Chattering in true neighborly style with her listeners in the Olympic, the presiding home manager will pass on her own discoveries in labor-saving short cuts. There will be dozens of helpful hints and suggestions for utilizing valuable kitchen products and labor-saving equipment.

Busy women will thrill to the convenience of one-dish meals and economy in marketing and cooking possible through full use of the electric refrigerator.

Other homemakers may find special interest in the thorough screen study of laundry methods. French frying and shallow pan frying will be considered. There will be simple thrift meals, party and late supper dishes and guidance to entertaining with confidence. Even beauty secrets, so dear to every feminine heart, will not be overlooked.

Worried questions, put by the bride-pupil in this screen romance, are bound to solve many a problem for more experienced housekeepers. Peer into the mixing bowl with her and see how it's all done, or join her in her study of the wonders of frozen desserts and molded ice-box salads that taste even better than they look.

Marvin Jones

(Continued from first page)
has been carried on by representatives of agriculture for 100 years.

Mr. Jones told of his part in this fight for equality in agriculture. He advocates that the tariff extent to all or to none. The entire south and west have been mortgaged to the east because of this unequal situation. The fight of Mr. Jones and those who see as he does is to restore conditions so that an equal opportunity will be offered to all in this nation.

Defining a good law, Mr. Jones stated that it was one which had been properly written, and then properly administered. Any law which does not have the approval of the people will fail.

"The highest co-operation with the agricultural program has been in West Texas," stated Mr. Jones. He believes that the present program of conservation will make over this country within ten years.

Following the Rotary program, Mr. Jones talked to the county agricultural committee at the court house for a short time.

Highway Wreck

(Continued from first page)
short time after the crash. He found that the sedan had been hit on the right side by the right front wheel of the heavy truck. The truck plowed through the middle of the sedan and overturned on the east side of the highway. The car was not overturned.

Mrs. Adams' head was severed from her body and thrown 20 feet from the car.

Humphreys claimed Monday that the truck was on the left side of the highway while attempting to pass another car, and that the truck and car collided in this attempted pass. The car is at the Imperial Chevrolet Co. and has been viewed by hundreds this week.

The dead and injured were brought by a truck to the Neblett Hospital. One of the four lived a short while after arriving here. The four bodies were turned over to the Griggs - Thompson Funeral Home. The funerals of Mr. and Mrs. Coffee and of Mr. Gipson were held in Plainview Monday afternoon. The body of Mrs. Adams was claimed by her parents and taken to Oklahoma for interment.

MEMBERS URGED TO AT- TEND CEMETERY MEET

The regular business meeting of the Cemetery Association will be held Saturday afternoon October 2, at 3:30 o'clock in the court house. Important business matters are to be attended to at this time and everyone is urged to be present.

Mr. and Mrs. M. H. Craig of Chillicothe are moving to Canyon next week and will live at 1106 Sixth Ave. They are the parents of Rev. Earl Craig and Tiny Craig. Mr. Craig is retiring from service on the Denver Railway where he has served for 40 years.
